**RE: Request for Amendments to the Heartland Regional Transportation Planning Organization's (HRTPO) FY 2022/2023 through FY 2026/2027 Transportation Improvement Program (TIP)**

Dear Ms. Soderstrom:

The letter is a formal request for the HRTPO to approve the following TIP Amendments to the FY2022/23 – FY2026/27 Transportation Improvement Plan (TIP). These 2 new projects are for a statewide initiative funded using safety dollars to add lane departure treatments on existing state roads.

### **Hardee, Highlands and Okeechobee**

#### **452241-1 Project Description: SWRS-STATEWIDE RUMBLE STRIPS (ON-SYSTEM NORTH)**

This is a new project to be included in your TPO's TIP and will include funding for the Design phase in FY23. It was programmed as a "District Wide" project for the Northern Counties and was not specifically reflected in individual MPO areas and must now be amended into your TPO's TIP for consistency and transparency purposes. To receive federal funds for this project, these changes are required to be amended into the HRTPO's FY2022/2023 through FY2026/2027 TIP.

### **DeSoto, Glades and Hendry**

#### **452242-1 Project Description: SWRS-STATEWIDE RUMBLE STRIPS (ON-SYSTEM SOUTH)**

This is a new project to be included in your TPO's TIP and will include funding for the Design phase in FY23. It was programmed as a "District Wide" project for the Southern Counties and was not specifically reflected in individual MPO areas and must now be amended into your TPO's TIP for consistency and transparency purposes. To receive federal funds for this project, these changes are required to be amended into the HRTPO's FY2022/2023 through FY2026/2027 TIP.

Attached are the tables reflecting the details of the project to be amended. Please include the projects in the respective sections of your TIP for each County.

If you have any questions or concerns, please let me know.
